Sign up for a workday or to help at a social event

It's great way to meet other members, and each family must complete 4 work hours per year for the club.

Sign your kids up for swim and tennis lessons

An email with sign-ups will be sent before the club opens for the season.

Consider signing your kids up for Swim Team too!

Our online store will be open May 15– June 5.

Make sure everyone in your family is getting our emails

During the summer season we send a weekly e-newsletter to keep you in touch with all that is going on at the club, including closures for storms, etc.

Check your floaties

OHC only allows coastguard approved puddle jumpers and life vests.

Stock your pool bag

Be sure to include plenty of snacks, money for the ice cream truck, some water toys and dive rings.
